

# The 2012 NGCRC 15th International Gang Specialist Training Conference

## Early Registration Brochure

**Mark your calendar now for the biggest Gang Training Event in 2012!**

**When:** July 23rd, July 24th, and July 25th, 2012

**Where:** Chicago: Westin Michigan Avenue Hotel

### **The “One Day Pass” or Daily Rate Attendance Option: New for 2012**

The NGCRC’s 2012 Training Conference allows people to sign up for “just one day”. This is designed for the person who cannot stay for the full three day training conference. The “One Day Pass” registration option does not carry with it a number of the advantages that are available to those who register for the full three day conference. For example, you cannot receive certification for the “One Day Pass” as it would reflect only eight (8) hours of training. Certification is available only to those who are enrolled for the full three day conference.

### **What’s New: Free CEU’s - Continuing Educational Units**

Some of the sessions in the training curriculum have a special designation which is the statement “CEU’s: Persons attending this session are allowed to receive CEU’s.” If you attend one of these sessions, then you are eligible for free CEU’s. You can tell which sessions are CEU-eligible simply by whether they do or do not include that statement. If the session does not include the statement, then it does not offer CEU’s.

### **NEW FOR 2012: The Mental Health First Aid (MHFA) Certification Course**

This was first offered at the 2011 NGCRC conference, it was very successful. It is the Mental Health First Aid (MHFA) Certification Course taught by Dr. Charla Waxman. It consists of four (4) hours of training each day, for three consecutive days. Thus, during July 23-July 25, 2012 you would accumulate 12 hours total to receive the additional MHFA certification. The Mental Health First Aid (MHFA) is a first aid first responder course. Attendance at this course will provide an additional certification (beyond your gang certification) as an MHFA first responder. This course is offered by certified trainers from Linden Oaks at Edward certified through the National Council on Mental Health. There is no extra fee or charge to enroll in the MHFA certification as long as you are already officially registered for the 2012 conference itself. It is a free service to those officially registered for the NGCRC conference.

### **This is Your Invitation to Attend the July 23-25, 2012 Conference:**

It’s the conference you cannot afford to miss. In the summer of 2012, the National Gang Crime Research Center will hold its 15<sup>th</sup> international gang training conference in Chicago — once again bringing together the Nation’s top experts on gangs and gang-related issues.

It’s the experience you’ve come to expect — the opportunity to network with law enforcement, corrections, private sector professionals from all over the country and abroad.

Once again, the NGCRC will be offering you an enormous variety of choices to craft the education that is most pertinent to you and your jurisdiction.

You’ll come away with new insights, the latest intell, and the most effective strategies to combat gangs.

You cannot afford to miss the NGCRC’s 15th International Gang Specialist Training Conference in Chicago this summer (2012).

### **We Have Proof The NGCRC Training Is Worthwhile and Effective: Basically The Best Available Today**

By visiting the NGCRC website ([www.ngcrc.com](http://www.ngcrc.com)), you can click the button for the “2012 Conference” and see a massive amount of backup and supportive material offering hard proof of the value of the NGCRC training model. This includes much statistical evidence. This also includes a vast number of testimonials from gang experts in the field who testify as to the value of the NGCRC training program.

### **Why the NGCRC has continued to set the “Gold Standard” for Gang Training:**

The National Gang Crime Research Center (NGCRC) has pioneered the field by first of all being producers of gang knowledge, publishing and disseminating useful information recognized at the highest levels of the social scientific community. Additionally, the NGCRC has a long track record of service (1990 to present) to law enforcement and correctional agencies nationwide in the goal of reducing gang violence. The research and intelligence analysis developed by the NGCRC over the years, and published in its scholarly journal, the *Journal of Gang Research* (now in its 17th year of publication), is of great practical value for gang investigators in law enforcement and STG coordinators in the field of corrections. Gang investigators at all levels of government, here and abroad, as well as gang/STG experts in corrections who attend the NGCRC training conferences have clearly made their views known that the NGCRC training is the best in regard to offering high quality practical choices. Police and corrections experts teach a variety of

courses at the NGCRC training conference.

The NGCRC training conference is specifically designed to “train the trainer”: someone who completes the training will be able to return to their police department or institution equipped to train others. Investigators return with a wealth of printed information, and lots of new “networking contacts”: persons to call upon in the future.

### **The “Added Value” of NGCRC Training:**

The added value of NGCRC training is easy to explain and it is designed to be different than other groups who sponsor such training conferences: you get more for your money. You see that reflected in the evaluation results from previous NGCRC Conferences. Other people “copy” what we do, or they try to. But you can do a quick check of facts here: who else offers as many different sessions or courses than the NGCRC? It is such a huge and massive undertaking, that persons who attend this conference benefit from the very factor of “diversity” in the choices they have — what they want to learn, what instructors they want to learn from, etc

First, all NGCRC trainees are given a **wealth of high-quality take home printed training materials**. The value of these books, reflecting the official books and journals from the NGCRC and related topics of interest about gangs, is itself a value comparable to the price of training itself. Most gang training programs provide a small amount of take-home written training materials, while the NGCRC provides an abundance of high-quality written take-home training materials. All persons attending the conference receive a “bag of goodies” which includes these kinds of useful written take-home training materials.

Secondly, no other training organization in the world provides the large **variety of training options** that the NGCRC provides; the NGCRC brings in more trainers and provides, therefore, more “choices” to trainees. NGCRC provides a large professional training experience in an environment designed for training. For example in the 2011 Conference there were over one hundred different sessions. Typically, gang conferences offer a small selection of training options. So if you think a variety of choices is a good thing, then you need to attend our training conference.

Thirdly, the NGCRC training is **designed to produce “trainers”**: trainees who attend and complete the training typically return to their respective jurisdictions with an incredible new arsenal of training tools to train others in the field. You will get new and useful gang information at our 2012 Training Conference.

Fourthly, the NGCRC training includes **social opportunities** that are structured to enhance the ability of the trainee to **network with others** in the field at a national and international level.

### **BENEFITS OF ATTENDING THE 2012 NGCRC TRAINING CONFERENCE:**

You have the power to “choose” what you want to learn. You have the right to “major in” what area of specialization or concentration you are interested in. Our conference provides an incredible array of different professional gang training sessions that trainees can make up their own minds what they want to attend. This is not the “one size fits all” model of training where every trainee attends each of a small limited number of training sessions and every trainer works all day to give the same talk three or four times. Our training program provides what we think people really want: the freedom to choose what kind of training they want from an incredible list of available choices. If you wanted a “Crash Course” on gangs, then this would be it.

There has never been a gang training conference where people can “specialize” in a wide variety of areas of expertise. So the 2012 NGCRC Gang Training Conference really is a “history making event”. It allows persons to network with others in their special area of interests and it has the organizational strength of much diversity among the trainers. It also has curriculum materials that are truly “cutting-edge”. No one else promises you **NETWORKING RESULTS**. We do, based on previous performance.

### **CONFERENCE REGISTRATION OPTIONS:**

Trainees can register for Non-Certification or they can register for Certification. Both of these registration options are explained below.

**Non-Certification:** This option is for those who do not need a transcript to be maintained of their training experience and who do not desire a high quality certificate in an upward path of gang specialist training. This option is best for those who just want to attend, get the training materials, and be free to come and go as they wish. Trainees are eligible to receive 24 hours of on-site training during the conference. Please note that if you register for non-certification you do not receive any certificates of your training.

**Certification:** The certification is provided by the National Gang Crime Research Center, the premier gang research organization in the world, founded in 1990 it publishes the only professional international refereed journal about gangs (the Journal of Gang Research), it does extensive research on gangs, and it has a strong positive track record for providing high quality training on gang issues. The Journal of Gang Research has over 18 years of gang research publishing experience and as the Official Publication of the NGCRC it is abstracted in the Psychological Abstracts, **Criminal Justice Abstracts**, Sociological Abstracts, Social Service Abstracts, and other international organizations that recognize professional journals. For more information about the accomplishments of the NGCRC, see its webpage

information ([www.ngcrc.com](http://www.ngcrc.com)). When you register for certification you receive two professionally printed color certificates of high display quality reflecting your training. One of these certificates reflects the completion of the 2012 Training Program; and the second certificate reflects your specialized training in your chosen track area. Those registering for non-certification do not receive such certificates.

### **Select Your Certification Specialty Choice From a List of 32 Different Options (Training Tracks):**

Those who register for certification receive two high quality 8 ½" x 11" certificates reflecting their training. The certificates carry the seal of the National Gang Crime Research Center. If you register for certification, then you receive two certificates (1) one reflects that you completed the NGCRC's 2012 program consisting of 24 hours of intensive training, and (2) the second certificate reflects that you completed a minimum of four hours in a specialized topical area, i.e., your "track". See the list of the 32 different training tracks on the registration form provided on pages 5-6.

### **HOTEL ACCOMMODATIONS:**

The site where the training is occurring is the Westin Michigan Avenue Chicago hotel. The Westin Michigan Avenue is located at 909 North Michigan Avenue, Chicago, IL 60611. The Telephone number for the Westin Michigan Avenue Hotel is (312) 943-7200. The toll free number for the Central Reservations Call Center is: 1 (888) 627-8385. When making reservations, the "code" for the conference is "NGCRC Gang Conference". They need that "code" to give you the reduced hotel rates.

The cut-off date for getting the rates here is June 17, 2012: Singles \$175, Double \$200, View \$230, Suites \$850 and up, Additional persons \$25 (for triple and quad occupancy).

Trainees will, as in past NGCRC training conferences, be able to pick up their "goody bags" the evening before training begins. Training begins 8am Monday morning, July 22, 2012. However, you will be able to pick up your registration materials, your Identification Badge, the final schedule, and your "goody bag" the night before: we expect to be able to start giving out registration materials about 3pm on Sunday, 21 July 2012. We will be open to provide this service until about 10:00 p.m. Just go to the the NGCRC Operations Center (The Huron Room is the NGCRC Operations Center) to pick up your materials. Signs will be prominently displayed.

### **Examples of Training Sessions You Can Attend:**

(4) **"Flippers and Co-Defendants"**, by Margaret Ogarek, Assistant State's Attorney, Cook County State's Attorney's Office, Chicago, IL.

Flippers are those offenders who may have been initially charged with a crime who "flip" and become willing to testify against their co-defendant(s). Attend this session if you want to learn about "how" to induce "flipping", and learn more about why offenders flip, what their motivations are, how to manage them and to prepare a case for successful prosecution involving testimony against co-defendants. You will also learn the approaches that work and do not work in seeking to get a defendant to flip on his/her co-defendant(s).

(6) **"The Radicalization of U.S. Prison Inmates"**, by Michael J. Witkowski, CPP, Associate Professor of Criminal Justice and Security Administration, University of Detroit Mercy, Detroit, MI.

American prison inmates, at all levels of custody, are potentially susceptible to extremist propaganda from terrorist or hate groups often using their distorted version of religion. The possibility for radicalization of prison inmates poses serious concerns for American law enforcement and society. Extreme religious and political beliefs have an inherent appeal to inmates who can seek to justify their hatred of perceived enemies by demonizing them. They can further channel violence and deviant skill sets to extremist groups and claim righteousness in doing so. Prison, being a place of frequent violence, is a fertile ground for extremist radicalization and recruitment by foreign and domestic terrorists.

(13) **"Introduction to Federal and Local Grants for Your Gang Prevention/Intervention Program"**, by Dr. Carole Brooks, Special Education District of Lake County, IL; and Jessica Bullock, Provena Health.

This workshop is an introduction to grantsmanship and preparing proposals to secure funding. Key components of the workshop will include the overall outlook for grant funding, evaluating whether your organization is ready to prepare a federal grant, and the critical components of a grant application. Workshop objectives: Participants will learn (1) essential elements of winning proposals, (2) key steps for proposal planning and conceptualization, and (3) sources for grant opportunities.

See many more examples and more detailed course information at the NGCRC website: [www.ngcrc.com](http://www.ngcrc.com)  
Remember: The NGCRC Training Conference usually offers over 100 different training courses or sessions. That provides you with the largest number of choices for training, no one offers more choices than the NGCRC.
